ENERGYOCEAN INTERNATIONAL

9TH ANNUAL

June 19-21, 2012

Doubletree's Coco Key Hotel | Boston, MA

50+ Exhibiting Companies | 500+ Attendees
3 Days of Conference Content | **One Event!**

The 9th Annual EnergyOcean International Conference & Exhibition is gearing up for our first event in Boston, Massachusetts! Hundreds of industry stakeholders representing every aspect of the Offshore Renewable Energy Industry will unite for EnergyOcean International's technical program which is established as the primary educational platform and networking forum for the industry. Conference Delegates will learn of the latest technological advances, investment opportunities, regulatory issues, and planned and implemented projects around the world.

The event's exhibition will feature 50+ exhibitors unveiling the industry's newest technological breakthroughs, products and services. No other Offshore Renewable Energy event provides attendees with more strategically targeted networking opportunities.

EnergyOcean International Will Unite:

- ▶ Developers
- ▶ Utility Companies
- ▶ Investors
- ▶ Researchers
- ▶ Government Officials
- ▶ Policy Makers
- ▶ Component and System Manufacturers
- ▶ Academic & Educational Organizations

EXHIBITING & SPONSORSHIP

ENERGYOCEAN INTERNATIONAL

9TH ANNUAL

June 19-21, 2012
Doubletree's Coco Key Hotel
Boston, MA

Uniting All Segments of the Offshore Renewables Industry

EnergyOcean International Events Include:

Conference Technical Program

Visit us online at www.energyocean.com to view the complete Conference Technical Program in an interactive format. You can sort through sessions, speakers, topics and more! This year's conference is filled with world class content from key leaders in every sector of the Offshore Renewable Energy Industry.

Technology Exhibition

EnergyOcean International will unite purchasing decision makers with the industry's top product and service providers. View the latest technologies fueling the Ocean Renewables Market 50+ exhibiting companies

Networking Opportunities

EnergyOcean International's highly interactive format will deliver unprecedented networking opportunities between key industry leaders, executive-level attendees and industry leading companies.

Why should you attend?

- ▶ The event will **COVER ALL DISCIPLINES** of offshore renewable power: Wind, Wave, Current, Tidal, Thermal, Solar and Hybrids
- ▶ Network with **HUNDREDS** of industry professionals representing the entire buying cycle, from specifiers and recommenders to final decision-makers
- ▶ Provide hands-on demonstrations of your products and services directly for **YOUR TARGET MARKET**
- ▶ Elevate your companies' **BRAND AWARENESS** in this emerging market
- ▶ Walk away with qualified sales leads - **DIRECT ROI**

“

“This Conference provided us with the perfect opportunity to not only network, but also showcase our technology. We made a lasting impression on those who visited our exhibit booth and started developing key relationships with top-level leaders in Government and State regulatory agencies such as; FERC, MMS and DOE. The return on our investment was realized in the first day of the event!”

TERENCE L. BOLDEN
CEO
CLEAN AND GREEN ENTERPRISES, INC.

%

99.9%
of EnergyOcean delegates
intend to do business
with exhibitors.*

*Reported from EnergyOcean 2009 survey.

“

“The oceans are a vast reservoir of wind, tidal, wave and thermal energy. The EnergyOcean International Conference is a great forum to share up-to-date information and to network.”

LAURENZ SCHMIDT
